TRÓCAIRE - LENTEN CAMPAIGN

Trócaire boxes are available at the back of the church this weekend. We would encourage all families to display the box in their home and give a donation during Lent. This year's theme focuses on climate change and the devastating effects it is having on families.

Families are being pushed further into poverty by climate change. Often it is those who have contributed least to the crisis that are bearing the brunt of its devastating effects. Their ability to recover after extreme weather episodes is a constant challenge. Please give as generously as you can.

THE SEASON OF LENT

As we prepare for Lent, we are once again invited into a season of prayer, fasting, and almsgiving, a time to draw closer to Christ and reflect on His sacrifice. Too often, however, we enter Lent with grand resolutions only to falter after a few days, feeling discouraged and unworthy. But what if, instead of striving for a "perfect" Lent, we focus on finding Christ's presence in our daily lives. Whether through scripture, prayer, or acts of kindness. Let us take this journey together towards God.

Lent is about growing closer to God through small, prayerful moments. Pope Francis' Lenten message focuses on 'journeying together in hope'. "Journeying together," he writes, "means consolidating the unity grounded in our common dignity as children of God ...without letting anyone be left behind or excluded."

Lets keep this at the forefront of our minds as we prepare to celebrate the joy of Easter.
